Dear Madam/Sir,

Firstly, accept our heartfelt greetings.

The proposal for conducting seminar on your campus, as its name says, it is written to seek permission from an authority to conduct a seminar on a specific topic. The proposal should be presented in a way that can convince the authority regarding its purpose and benefits. A seminar can be organized by any group of people and the proposal is the first step to conduct a seminar. The proposal should present the details of the seminars, including its areas of discuss, its guests and the number of the attendant.

Seminar Topics:

1. Project Development and Monitoring.
2. Overview of the .NET Framework / Java / PHP / Android.
3. Emerging Technologies of Big Data – Hadoop / Cloud Computing / Ethical Hacking.

Our Training Requirements:

- Required to seminar hall for 1 hour to take PPT Presentation.
- Two Faculties from your department for student guidelines.

Note: Seminar will be arranged according to the availability of our staff to the requested date and time.

Cost may vary based on student strength and seminar topic.

Thank you

HR MANAGER.
