

**PROPOSAL**  
**For**  
**On Campus Placement**  
**Training Program**

**Submitted by**

**Nxtlogic Software Solutions.**  
Bangalore and Coimbatore

*“We believe in quality because knowledge matters”*

**Dear Madam/Sir,**

**Firstly, accept our heartfelt greetings.**

Objective: The vision of this program is to equip students for successful employment.

As you know Nxtlogic is a renowned Engineers Training organization and software development industry, well known for providing quality education in advance fields such as .NET, JAVA, ANDROID, PHP, MATLAB, NS2, VLSI, Oracle and Campus Recruitment Preparation. Currently, these are the hottest and largest job-providing sectors. With reference to the same, we wish to start training programs in these fields at your college campus. Students from your college may be well placed in the market, but by getting professional training in the courses like these, they will definitely get an edge.

Nxtlogic has already run different “On Campus Training Programs” at many colleges. Nxtlogic is providing them at a very reasonable fee (enclosed herein). In this training we will acquaint students about the concerned field, and will provide them Course book, CD (having assistance for job) & Lab Material. At the end of training, Nxtlogic will certify each student.

For starting the training program, a free of cost seminar may be delivered at your campus. After the seminar, if our terms & conditions (enclosed herein) are fulfilled, campus training program would be started after obtaining your confirmation.

We look forward to your kind cooperation in our attempt and will wait for your reply. Thanking you in anticipation

**Our Mission** is to help individuals enhance their creativity and build Knowledge that creates opportunities, thus deliver a result that maximizes customer's return on their existing investment

**Our Vision** is to evolve as a product company by optimally using the resource thus to provide competitive products that are affordable
